Eric,

RST 3 would like to request a TDD amendment for the Niagara Falls Boulevard Removal Site, TDD #: TO-0010-0008. As of August 25, 2017, RST 3 has utilized 297 hours of the 300 hours budgeted for this project.

This request for additional 100 hours would enable RST 3 to complete preparing requested deliverables, including data tables, data validation reports, figures, and Trip Reports.

Please let Shawna Hoppe know if you concur with this request.

Thank you.
